

Clay Sculpting: Dia de los Muertos

Ruby Red Workshop

October 19, 2024

Saturday, 10:00am-2:00pm

Educator: Cal Duran, Volarduran@yahoo.com

Pricing:

Museum Friends: \$125 / Member: \$130 / Student: \$130 / Non-member: \$140

**Price includes a \$60 Studio Fee for all materials provided.*

Class Description:

In this class, students will use red rock clay from Colorado and reconnect with the earth. Focus will be on the Mexican holiday of Dia de los Muertos (Day of the Dead), with time for exploring one's own ancestral relationship to cultural holidays. Bring your imagination and voice to the medium of clay while learning sculptural techniques.

What to Expect:

We will start with looking at objects in the museum's collections on display, researching, and sketching. Students will plan a vision for their Dia de los Muertos sculpture and build a paper armature. Remaining time will be spent on working with clay, sculpting, and finally painting.

Class Cancellation Policy:

If a class or workshop needs to be cancelled due to inclement weather or teacher illness, a "make-up" day will be scheduled on a FRIDAY or SATURDAY as the educator's schedule allows.

Materials:

All materials will be provided for this workshop and are included in the Studio Fee of \$60.

Educator:

Cal Duran is an artist and art educator focusing on connecting with his ancestors from an Indigenous and Latinx background. His work often explores parallels between hybrid identities found in myth, religion, and ritual. Duran has shown altars, installations and artwork in museums and galleries throughout the Denver Metro area and beyond. He continues to honor his ancestors and recently created a room at Meow Wolf in Denver, honoring the indigenous tribes of Colorado and the Americas.

Ruby Room Policies

CLEANUP:

Please remove all artworks from the classroom at the end of each class. If wet painting or in-progress artworks need to be stored in the classroom, there is limited storage in the equipment closet. Students will also need to take home all their own materials after each class. Make sure that art supplies and equipment belonging to the DAM are put back in the appropriate locations. Sponges and cleaning solution are provided in the classroom for cleanup.

CLASSROOM ACCESS

Students will have access to the classroom only during scheduled class hours and open studio hours. Please contact the Manager of Creative and Public Engagement, Sarah Rockett, if you need to arrange entrance to the Ruby Room outside of those hours – srockett@denverartmuseum.org.

MATERIAL USAGE

Approved Processes & Materials

Please ask if you are unsure about using a material in the workshop.

- All materials that are non-toxic and non-flammable
- Chalk/charcoal/compressed powder-based drawing materials
- Loose powder-based drawing/painting materials – i.e. powdered graphite, powdered pigment
- Loose powder-based 3D materials – i.e. plaster, alginate
- Clay – air drying only
- Oil paints & oil medium
- Adhesives
- Odorless mineral spirits – in small amounts
- Acetone – in small amounts
- Hot plates – for encaustic or use w/ wax-based process
- Hot glue & hot glue guns

Restricted Processes & Materials

- Aerosols
 - No spray paint onsite
 - Fixatives and finishing sprays can be used outside with the use of a drop cloth.
- Saws/Wood cutting
- Organic materials
- Any materials that off-gas or produce a pungent smell will require prior approval.

Flammable Materials

STORAGE: Any flammable materials left in the classroom must be stored in the flammable materials cabinet when not in use. This includes all aerosol products, mineral spirits, acetone, etc.

DISPOSAL: Please use the flammables disposal container to dispose of all flammable materials or rags, paper towels, etc. that have been saturated with flammable materials. Do not put these items in the regular trash can or down the sink. This includes materials such as mineral spirits, acetone, paint thinner, oil paint, etc.

Disposal of Viscous Materials

- **Paint:** Scrape or wipe large amounts of paint into the trash can. Remaining paint may be washed down the sink. Make sure that paint does not sit and dry on the bottom of the sink. Use sponges to wash out the sink, and run water for 1-2 minutes after paint disposal.
- **Plaster:** Dispose of wet plaster into the trash can. Leave container to dry, and crack remaining plaster into the trash once it is dry. Hands and tools used for plaster may be washed in the sink with water running 1-2 minutes after washing.
- **Clay:** Remove wet/dry clay from hands and tools as much as possible before washing in sink. Run water in sink for 1-2 minutes following washing.

SAFETY:

Teachers and students are responsible for practicing safe work habits at all times, as improper use of tools could cause injury. Please work intelligently, safely, and follow all safety guidelines.

- Teachers and students are only to use equipment and tools that they either already know how to use, or have been instructed how to use. If you have a question about how to operate any equipment, please ask!
- Work smart, pace yourself, and be aware of your surroundings at all times.
- Safety glasses, safety goggles, nitrile gloves, and dust masks are available upon request.
