## **WORKSHOP SPACE POLICIES**

### **About:**

The Ruby Red Workshop is a dedicated space for Creative Classes and adult programs located on the first floor of the DAM's Martin Building. You can expect a traditional style art workshop with tables and four-legged chairs with backrests. There are a variety of other seating options available. Sinks, soaps, paper towels, and waste receptacles are accessible in the workshop. Restrooms are located in the elevator bay just outside the workshop entrance. Food and beverages are allowed inside the workshop space, please ensure that you do not enter any galleries with these items.

Each class is different and does not follow a strict or set structure, but will generally include instructor presentations and demonstrations, class gallery visits to view artworks in the DAM collections, individual work time supported by class instructor and assistant, and discussion or share-out time of finished works and works-in-progress.

### **Cleanup:**

Please remove all artworks from the classroom at the end of each class. If wet paintings or in-progress artworks need to be stored in the classroom, there is

limited storage on drying racks and in the equipment closet. Students must take home their own materials after each class. Please ensure that art supplies and equipment belonging to the DAM are put back in the appropriate locations. Sponges, paper towels, and cleaning solution are provided in the classroom for cleanup.

**Classroom Access:**

Students will have access to the classroom only during scheduled class hours. Please contact Mia DeBakker, Creative & Public Engagement Coordinator, if you need to arrange entrance to the Workshop outside of those hours – [MDeBakker@DenverArtMuseum.org](mailto:MDeBakker@DenverArtMuseum.org)
